

Words We Trust Stakeholder Commitment Statement

I, Gladis AUDI, as the sole proprietor at Words We Trust, hereby affirm my commitment to uphold and integrate social and environmental considerations into every aspect of my business operations and decision-making processes.

1. Commitment to Social Responsibility:

I pledge to actively engage in and contribute to the well-being of the communities I serve, ensuring that my business practices promote fairness, equity, and respect for all individuals and groups I interact with, including clients, suppliers, and the wider community.

2. Commitment to Environmental Stewardship:

I commit to implementing and maintaining sustainable business practices that minimize my environmental footprint. This includes, but is not limited to, reducing waste, optimizing resource use, and selecting eco-friendly options whenever feasible.

3. Stakeholder Engagement:

I vow to consider the interests and impacts of my business decisions on all stakeholders, not limited to myself, but extending to the community, environment, clients, and any future employees or partners. I will strive to maintain transparency and accountability in my business practices.

4. Continuous Improvement:

I commit to ongoing learning and improvement in social and environmental practices, staying informed about best practices in corporate responsibility, and adapting my business operations to reflect these learnings for the betterment of my stakeholders and the planet.

5. Review and Reporting:

I will periodically review my business practices and this commitment to ensure alignment with my social and environmental goals, making adjustments as necessary to enhance my positive impact.

By signing this statement, I affirm my dedication to these principles, striving to ensure that Words We Trust not only delivers exceptional translation services but also contributes positively to society and the environment.
